

Visionary Guidance

Offering Intuitive and Trance sessions extensively since 1986, hailing from a heritage of psychics and traveling through the States and Internationally sharing Visionary Guidance, Cé Änn (say on), affectionately called: 'the Channel's channel,' inspires loving allowance, self motivation, intuitive growth and the awakening of unlimited human potential. He makes his home amongst the red rocks of Sedona.

Cognizance beyond the distractions of the human experience, Visionary Guidance is an all encompassing consultation technique; a seeming blend of philosophies, psychologies, and spiritual practices of human reality merged with non-physical awareness using an altered state or trance. Channeling has been utilized by many to gain greater clarity with regard to their transformational process and as a source of guidance and confirmation for a truthful, expansive, validating view of their reality.

No matter how you refer to the expressed information, the bottom line is truth. Whether in a public group, a semi-private, or one to one, this is your opportunity for expansion. Come "Explore your Self, Awaken your Mind and Expand your Heart" with an enlightening reflection, at one of these events:

"TranceMissions": is a publicly channeled group session, wherein many "Frequencies" move through, sharing vocal toning, exercises, and topical dialogue depending on the group consciousness gathered; your questions are encouraged!

"Mini-Channeler's Symposium": putting together proven exercises and guided meditations to aid you in creating a connection of your own, Cé Änn will assist you in taking the proper steps to Being the Channel you came here to be, guide you in creating a Sacred Space, letting go of fears, help you with "sitting in the seat" to allow the energies to flow through, and also remove any energy blocks stopping you from becoming a clear and open Vessel. Come let go of what you think Channeling is, and experience the Channel You Are every moment in a supportive environment. If you want to have a deeper personal connection with All That Is, here's your opportunity. Let's Re-Discover Your Inner-Mystic! All Channelers welcome; no prior experience required.
