DFW Area Tour

APRIL 24TH - 28TH

Cognizance beyond the distractions of the human experience, Visionary Guidance is an all encompassing consultation technique; a seeming blend of philosophies, psychologies, and spiritual practices of human reality merged with non-physical awareness using an altered state or trance. Channeling has been utilized by many to gain greater clarity with regard to their transformational process and as a source of guidance and confirmation for a truthful, expansive, validating view of their reality. No matter how you refer to the expressed information, the bottom line is truth. Whether in a public group, a semi-private, or one to one, this is your opportunity for expansion.

Come "Explore your Self, Awaken your Mind and Expand your Heart" with an enlightening reflection, at one of these Events:

"Circle of One": a semi-private meditative space devoted to self exploration and personal questions with Malachite.

"Conventional Mind's Connection Tools": the most difficult aspect of living life after 'opening' is continuing to de-hypnotize & clear beliefs the mind has regarding Channeling & what blocks you from entering the 'State' spontaneously. Why just 'sit in the seat' when you are the seat! Walk the Talk without excuses; let's explore and 'bust' the myths.... Co-facilitated with Joy Kauf.

"Mini-Channeler's Symposium": explore MultiDimensional Reality and experience Your Channel in a supportive environment. With exercises, group discovery and conscious commitment with Spirit, you can re-discover your inner Mystic. All Channelers welcome; no prior experience required!

"TranceMissions": publicly channeled session with many frequencies; bring questions!
